STUDENT GOVERNMENT DEPARTMENT

Student Government means all the Meredith girls, with a real Meredith sense of honor, working together to make Meredith the best college possible.

There have been many changes made in our hand-book this year, but we feel sure that Meredith girls will rise to meet the new responsibilities that come with greater freedom, and will as college women set a high standard of honor.

The spirit of the Student Association is the real college spirit, and a loyal student spirit means not only a cooperating student organization, but clean athletics, an enthusiastic Y. W. C. A., and a working literary society. The success of any organization in college depends on the attitude of the girls toward the Student Government Association. We must work together for the common good of all before we can work in groups in smaller organizations.

Every individual girl is responsible for the carrying out of the laws of the Student Government. These laws are made by the students themselves, and approved by the faculty. Disregard of these laws means that a girl is not a loyal member of the college community and is not worthy of the privileges of the same. The Student Government encourages loyalty to all organizations, promptness in all duties, and a spirit of love and friendship among the girls.

COLLEGE REGULATIONS

1. The rising bell will ring at 6:45 a. m.; the retiring bell at 10:30 p. m. At the ringing of the retiring bell all lights will be extinguished, students will retire and the house be quiet until the rising bell. No extra time will be allowed after 10:30.

2. The dining room doors shall be closed five minutes after the last bell rings.

3. Students may not be off the campus when due for any college duty: when visiting, however, students may leave the college Saturday when work is finished and must be at the college for work Tuesday morning.

4. Students will not leave the college grounds without registering except for walking or working at the State or Raney Library.

5. Students will register in the Dean's office when exercising any special privilege off the campus, such as attending receptions, ball games, etc.

6. No visits will be made without a written permission from parent or guardian stating to whom the visit is to be made. This must be mailed directly to the President or the Dean; otherwise, it will not be considered.

7. Students may not be accompanied to or from the station or receptions by young men.

8. No one may visit in town over night during Fair holidays, except with members of the immediate family.

9. During the State Fair, Wednesday and Thursday are given as holidays. All students who attend the Fair, except Seniors and Juniors, are chaperoned either by some friend approved by the Dean, or by members of the faculty.

10. Students will not visit restaurants, hotels, railroad stations, or places of amusement without permission and a chaperon.

11. *No student will entertain guests in her room.* All visitors will be entertained in the parlors. No young lady will go to the parlors to meet friends without permission from the Dean.

12. Because of the lack of guest chambers students may not entertain their friends overnight at the college.

13. Students may not attend social affairs or those merely for entertainment on school days. Requests to attend those of educational value will be referred to the Dean.

14. Students may not sit with young men in chapel at any function under the auspices of the college, but may do so when it is under the auspices of a student organization.

15. Students may not ride on street cars except when going to or from the station and when calling with the permission of the Dean.

16. All students are required to attend Sunday School and church 85 per cent of the time on Sunday mornings. When taking cuts, they may attend church services elsewhere than at their own church, but must not answer to roll-call. Any student who is in the Infirmary more than 15 per cent of the time will be excused for those extra times.

17. Students should be in their places in chapel when the three-minute bell stops ringing. Talking is forbidden after the organist begins playing. No books will be taken into chapel.

18. Each unexcused absence or tardiness from any college duty, such as registering for shopping or for any special privilege, answering Sunday School roll-call, etc., will count as one delinquent, except absence from chapel which will count as two.

Any student receiving nine delinquencies during any quarter will be debarred from exercising the privileges of the Student Government Association. Students receiving nine during the last quarter will lose their privileges for the two weeks before commencement.

19. Students will report, within three days, to the Dean to be excused from any absence or tardiness; otherwise, these will go on the college record as unexcused delinquencies.

20. "Call downs" will be given for going over an official study sign. Three of these makes a girl subject to a reprimand from the Student Committee.

21. Quiet will be preserved during the following hours:

(a) On Sunday during Silent Hour, that is, from 2 p. m. to 4:30 p. m.

(b) On Monday from 7:45 p. m. to 10:00 p. m.; on Tuesday, Wednesday, Thursday and Friday from 8:35 a. m. to 1:00 p. m., and from 1:30 p. m. to 2:30 p. m., and from 7:45 p. m. to 10:00 p. m.; on Saturday from 8:35 a. m. to 1:00 p. m., and from 1:30 p. m. to 2:30 p. m.

22. Under no circumstances will visiting during the Sunday Silent Hour be allowed, unless permission has been obtained from the House President *before 2 o'clock*.

23. Permission to send telegrams or long-distance messages may be obtained from the Dean during her office hours. Such messages must be paid for in advance.

24. No student may send any matter to the local press for publication without the permission of the Dean; and all posters, invitations, or other printed matter must be approved by the Dean.

25. Chafing-dishes with alcohol burners may not be used in the college. A charge of five cents an hour will be made for the use of electric plates.

26. Dancing and card-playing will not be permitted. In regard to these, there is a difference of opinion, but all will agree that it is safe to replace them by other recreations.

27. *Sororities of whatever name or kind, whether regular or irregular, affiliating with similar organizations elsewhere or unaffiliating, are absolutely prohibited. The punishment for this offense will be expulsion, demerits, or suspension, or a combination of any of these at the discretion of the Academic Council and Student Executive Committee.*

28. Students will not carry on a conversation with young men on the campus, at the libraries at the drug stores, or on the street.

29. Any student found communicating by word or sign, beyond simple recognition, from any part of the building or grounds, or elsewhere, or making clandestine engagements with any man, will be

reprimanded, demerited, suspended, or expelled, at the discretion of the Student Executive Committee and the Faculty.

30. Hazing is absolutely forbidden. Any unwelcome interference by one class with another class, or by the members of one class with the members of another, is included in the term "hazing."

31. The punishment for cheating on examination, or elsewhere, will be expulsion, withdrawal of credits, or demerits, or a combination of the last two, at the discretion of the Academic Council and Student Executive Committee.

PRIVILEGES

Those having the necessary permissions may have the following privileges:

1. After the first semester Freshmen may shop on any one afternoon in week in groups of two, but during the first semester they must do their shopping on Monday.

5. May make week-end visits in the homes of friends four times a year and in the homes of near relatives once a month. ("Near relatives" will be interpreted to mean grandparents, brothers, or sisters.)

When making week-end visits in the city, students may leave the college at 4:30 p. m., on Saturday, provided their academic work is finished and must be on the campus Monday at 5:30 p. m. during the winter, and 6 p. m. during the early fall and late spring. THINGS YOU OUGHT TO KNOW

1. Students are under the college regulations from the time they reach the college until they take the train to leave Raleigh, or until they have received permission from the Dean to visit in the city at Christmas vacation or at the close of the session.

2. Students may not walk in the business sections of the city, on Fayetteville and Hillsboro streets, *in the Capitol Square*, in or near the vicinity of the railroad shops, or station unless they have registered to go shopping.

3. No medicines are to be administered except by the advice and prescription of the physician, as much harm results from the promiscuous taking of medicine without competent advice.

4. Students will be held responsible and will pay for loss, breakage, and damage in which they are instrumental. All such injuries should be

promptly reported to the Housekeeper. No furniture may be moved from any place without her permission.

5. Sunday School roll will not be taken on Easter Sunday.

6. Pianos may not be used on Sunday mornings.

7. No student may, without permission from the Dean, have colored women come to her room or to the dormitory corridors, as there is danger of loss of money or clothes.

8. White middy blouses and dark skirts, or any kind of washable middy suits may not be worn to Sunday dinner, on the streets at any time, or elsewhere after 4:30 p. m., except on the dormitory halls. Regulation serge middy suits may be worn except on Fayetteville Street, in the parlors, and on Sunday after 1:00 p. m., or on occasions when they would be inappropriate.

DONT'S

1. DON'T get discouraged the first few weeks of your college year.

2. DON'T forget that you are a Meredith girl because people judge Meredith by you.

3. DON'T forget and disturb your neighbor by calling from one building to the other.

4. DON'T forget that your room is near the street, and be careful to draw your shades when you light your room at night.

5. DON'T give outsiders a bad impression of Meredith by sitting in the windows.

SUPPLEMENT

TO THE

HAND-BOOK

ACADEMIC REGULATIONS NOT PRINTED IN THE CATALOGUE

1. Students may be excused for absence from class for illness in the infirmary or on a doctor's written statement. They may also be excused by the Dean for reasons deemed by her sufficient. In addition, students may be absent without excuse for not more than one day a semester. However, they may not be away from the college without excuse and so miss classes except for visits home.

2. Unexcused absence will entail lowering of grade. The semester grade will be lowered in the Dean's office for each unexcused absence in a one-hour subject five points; in a two-hour subject three points; in a three-hour subject two and a half points; in a four-hour subject two points.

Students will arrange with their instructors about making up work missed.

4. Students will receive zeros for cutting the last recitation in subjects before a holiday, and the first after a holiday.

5. Students may not miss class work or private lessons, or change them from one day to another, to make visits. See privilege 5 of the Hand-book.

6. A student may not drop a subject or change her course without permission from the Dean.

7. Students are required to take examinations in all subjects pursued during a semester.

8. No one will be excused from any college duty on account of illness unless she is the patient of the physician or nurse.

9. Students may not take part in plays or other entertainments without the permission of the Dean. Ordinarily, permission will not be given to those who are not making grade or who have more than sixteen hours of work per week.

REGULATIONS FOR TUTORING.

1. Students may tutor only with tutors who have been approved by the Dean and the head of the department.

2. The number of hours which a tutor may have will be determined by the Dean. (Ordinarily, three hours of tutoring will count as one academic hour.)

3. Absences from tutoring lessons and unprepared will be reported and counted as if from regular class.

4. The price for tutoring lessons will be, under ordinary circumstances, twenty-five cents an hour for individual work. If there are more than one in a course, the Dean and the tutor will determine the price.

MUSIC PRACTICE

1. Under all circumstances proctors will mark a student absent if she does not practice during the time assigned her.

2. Under no circumstances do proctors excuse students; therefore, do not make such requests of them. Make these requests to the Dean.

3. Under all ordinary conditions students will practice at their regular time. If any one wishes to substitute some other hour, the permission of the Dean must be obtained before the change is made; *otherwise, the absence will not be excused.*

4. When students are given the privilege of making up practice, it must be made up and so reported within three days from the time it was missed. Otherwise, it will go on the college record as unexcused.

5. All students taking as much as two hours of practice are required to attend the student recitals on Thursday afternoons; any other music student not having the equivalent of fifteen hours of work a week will be required to attend. An unexcused absence from recital will count as an absence from regular practice.

6. Every absence or tardiness should be reported to the Dean at once. Unless so reported, after three days such delinquency will go on the college record as unexcused.

7. Three unexcused absences from practice during any quarter causes loss of privileges for a month for those practicing from one to two hours a day.

Four unexcused absences from practice during any quarter causes loss of privileges for a month for those practicing three or more hours a day.

In all cases two tardies count as one absence; leaving practice rooms without permission for visiting or other purposes will count as a tardy.

THE "POINT" SYSTEM

In order not to give any student more non-academic work than she can do well the Academic Council has rated in "points" each non-academic office, and ruled that no student may have more than twenty-one points, without special permission of the Council. They were assisted in the rating by the presidents of the four largest organizations. The rating is as follows:

WELCOME AND GREETINGS TO CLASS OF '23

Sister Freshmen:

We have been thinking of you all lots and are waiting and planning for you even before you get here. Of course, the "dignified" Seniors will welcome you and the "mischievous" Sophs will be plotting and planning to take you by surprise, but remember that we, the "jolly" Juniors, want you to be our "little sisters" and that we are eagerly waiting to do all we can to show you what "citizenship" in our college community means. We want to be proud of you and love you like "sure 'nuf" sisters.

Loyally,

Your "big sisters,"

JUNIORS.

PUBLICITY DEPARTMENT

MARY LEE CALDWELL—*Chairman*

The function of the Publicity Department is to inform the girls of present day problems of every nature, and to keep them vitally in touch with all the Y. W. C. A. work of our Association and others. In accomplishing this work, the poster

committee helps to make the walls speak by their several attractive posters each week.

Magazines and good books are placed in our "Y" library, where each girl may pass a pleasant hour in light reading or study.

Our Editor keeps this Association linked up with others by contributions of unique plans to the Association Monthly and to the monthly magazine of our own college.

In this way the Publicity Department serves as a wireless station to bring through literature and posters the news of all lands to the students.

RELIGIOUS WORK DEPARTMENT

LIDIE PENTON—*Chairman*

The work of the Program Committee is to arrange the programs for the Sunday night meetings. This includes the selections of speakers from the faculty, student body or outside speakers. A missionary program is given the first Sunday night of each month. The other programs are on topics of interest and are usually arranged so as to center around one main theme.

The work of the Music Committee is to select a choir for the meetings and train them in singing new selections, it also arranges for the special programs and soloists.

The work of the Bible Study Committee is to arrange the schedule of the classes, to select leaders and books for each class.

The Morning Watch Committee appoints the leaders for the services each day; these are usually chosen from the student body.

SOCIAL DEPARTMENT

KATHARINE SHIPMAN, *Chairman*

The work of this department is to arrange for all the social functions of the Association; to plan parties for the new girls in the fall which are given in our "Y" room. They also, through the co-operation of every girl in school, try to create standards of the very highest type.

The Blue Ridge Committee does great work in arranging good programs to interest the girls in Blue Ridge, and also has charge of all the teas that are given for this cause.

COMMUNITY SERVICE DEPARTMENT

JEANNETTE BIGGS—*Chairman*

The Social Service Department gives the student an opportunity for some definite service for the Master. Through serving others the mind is broadened and a sympathy for humanity is awakened by means of committee work both on and off the college campus.

YOUNG WOMEN'S AUXILIARY

LILY MAY AYCOCK—*President*

It is the aim of the Young Women's Auxiliary to bring the girls into a very sympathetic, intellectual relationship with missions. On the first Sunday night in each month it gives a missionary program. In connection with this work, it helps with the mission study classes that are conducted by either faculty members or some student.

THE CABINET POLICY

Aim of the Association:

(a) To unite the women of the institution in loyalty to Jesus Christ.

(b) To lead them to accept Him as their personal Savior.

(c) To build them up in the knowledge of Christ, especially through Bible study and Christian service, that their character and conduct may be consonant with their belief. It shall thus associate them with the students of the world for the advancement of the Kingdom of God.

(d) To seek to enlist their devotion to the Christian Church and to the religious work of the institution.

Aim of the Cabinet:

To carry out the purpose of the Association by endeavoring:

1. To bring every girl into Association work.

2. To raise the standard of the social life of the school by frequent simple gatherings and by seeking to break down every barrier between the girls—thus holding up the social teachings of Jesus Christ.

3. To spend part of each day in real prayer and faithful Bible study.

4. To bring each girl into a close fellowship with Jesus Christ by means of Bible classes.

5. To meet every Sunday afternoon for counsel and definite prayer and every Thursday night at 9:00 for prayer and discussion of work.

6. To deepen the spiritual life of each girl, individually, by prayerful, personal work, by daily morning prayer meetings, and by weekly devotional meetings on Sunday night in the chapel.

7. To arouse interest in missions by
 - (a) Giving systematically to missions;
 - (b) Mission-study classes;
 - (c) A strong missionary meeting the first Sunday night in each month.
8. To keep ourselves informed in regard to general Association work.
9. To give written monthly reports to the Secretary, and to keep careful records of all work for the help of the new cabinet.
10. To heartily cooperate individually and as a cabinet with the Student Council in securing and maintaining a high standard of young womanhood in our school.
11. To consider ourselves a personal workers' band, endeavoring, with God's help, to bring to Christ every girl who has not already confessed Him, and to pray with this definite purpose.

WHY YOU SHOULD JOIN THE YOUNG WOMEN'S CHRISTIAN ASSOCIATION

To you who are entering college this fall for the first time, let us say a few words about why you should join the Y. W. C. A.

In the first place you should begin your college life by identifying yourself with the Christian work of the school, for in this way you are brought under the best influences of the college course.

A girl's character is formed before her college course is ended. In the molding of your character, do you wish to leave out Christ? Be sure, then, that you join the Y. W. C. A. at the beginning of

your course, and thereby seize the opportunity for the development of your spiritual life.

You need spiritual inspiration as well as intellectual inspiration.

You are given a wonderful opportunity for serving Christ by winning for Him the lives of those who have never known Him.

In joining the Y. W. C. A. you are becoming a part of a world-wide student movement, which has for its members the strongest and most earnest students all over the world.

"HINTS TO THE WISE"

Come early and avoid the rush.

Look out for Meredith Y. W. C. A. badges at the station.

Listen for the call of the night watchman, if you come on a night train.

Register as soon as possible after you arrive.

After you register, go to the adjoining room, over the door of which *Information Bureau* will be printed in large letters, for any information.

Those wearing the Y. W. C. A. badges will gladly give you any assistance they can during the days of classification.

Writing materials may be purchased at the Y. W. C. A. stores on the second floor of Faircloth Hall and on the third floor of Main Building.

Ask the old girls anything, any time. They are always anxious to help you.

Bring pillowcases, sheets, dresser and table covers with you. Your material for curtains had best be bought here, so you will have no trouble in fitting your windows. But this is not all. Every

college girl wants an attractive room. So bring your pennants, sofa cushions, pictures, mottoes, and all those little fixings which add so much to a room. Remember that you will be here for nine months, and you certainly will enjoy life more in a cheerful room.

Somebody is more homesick than you are. Try to forget that you are lonely and do something for that other girl.

The three bulletin boards—the official bulletin board, near the library door, the Student Government bulletin board, just opposite, and the Y. W. C. A. bulletin board, at the entrance to Faircloth Hall, are very important. Watch them.

Remember to patronize the firms that advertise in our publications. “Turn about is fair play.”

The library is for quiet study. If you talk, it misses its purpose.

At twilight when you feel the “blues” coming on, make a rush for the Y. W. C. A. room—No. 2, first floor, East Building. The “blues” can’t exist there at any time—day or night.

CHURCHES

There are Baptist, Methodist, Presbyterian, Episcopal, Catholic, Christian, Lutheran Churches in Raleigh. Every student is allowed to attend the church for which she has a choice. The first two Sundays after school opens the students are allowed to visit different churches of their denomination. After that they must fully decide what Church they prefer to attend regularly.

OTHER ORGANIZATIONS

THE LITERARY SOCIETIES

Meredith's two literary societies, the Astrotekton and the Philaretian, work together in friendly rivalry throughout the year. Their purpose is to help the students to combine their academic training in a practical manner with their social life, and to promote a useful experience in outside cultural interests.

These societies have separate halls, in which they meet for an hour on every Saturday night to enjoy clever programs or more informal fun. In order to stimulate the spirit of loyalty and develop initiative among the students, both societies present plays every year. During the past year the Astrotekton Society gave the operetta, *Snow-White*, while the Philaretians presented *She Stoops to Conquer*. With their many good times, these societies constitute one of the most enjoyable features of college life at Meredith.

Everybody together on this yell!

“Riffity, raffity, riff, raff

Chiffity, chaffity, chiff, chaff,

Riff, raff, chiff, chaff

Three cheers for Athletics!”

Girls, start right by going in for Athletics, good and strong, the day you enter. Adjust your academic program to your athletic program instead of vice versa!

There's nothing like class spirit, and nothing that develops it like contests in basket ball, relay races, tennis, tournaments, tracks meets, etc.!

From the middle of October until Field Day in May, regular gymnasium exercises are required of all students, except Seniors, for two days each week.

BASKET BALL!

Each class has a team which practices regularly throughout the college year. In the spring inter-class games are played for the championships. A loving cup is awarded the winning team.

TENNIS

There are two tennis courts between the Home Economics Building and North Cottage. Each

class has a tennis team of two numbers, and they are tried out. The winning team receives monograms presented by the Association. This year the Freshman team won the championship and received the monograms.

FIELD DAY

This is our big holiday! Every student who has taken gymnasium may compete in the events. There are two honors awarded for each of the two features rendered by the different classes. These are called first and second honors, which are blue and red ribbons bearing the name of class and feature on it.

Other features of field day exercises are the May Pole Drill, races, games and a general big time.

Come on and let's have one more good spicy yell.
Let's go, 1, 2, 3.

"Hibbilty, hibbilty, huss,
We're not allowed to fuss
But nevertheless we must confess
That we're the best of all the rest,
Meredith! Meredith! Meredith!"

STUDENT PUBLICATIONS

The Acorn is the monthly magazine of the students, published by the Astrotekton and Philaretian Literary Societies. The object of the magazine is to create an effort at self-expression among the students as well as to encourage training along literary lines. It is a source of encouragement to those who are making their best efforts in the English Department, and a challenge to those who are not. *The Acorn* is associated with similar magazines by means of exchange. Every member of the societies receives the magazine on the payment of the membership fee. It will also be mailed to any address, the proper arrangements having been made with the business manager.

The following girls form *The Acorn* staff:

The *Oak Leaves*, also published by the literary societies, is the college annual. It represents every phase of college life, not being, like *The Acorn*, primarily of a literary nature. While each organization of the students has its place in the annual, the Senior Class justly occupies the foremost place.

The following girls form the *Annual* staff:

We salute thee, Alma Mater, we salute thee with
a song,

At thy feet our loyal hearts, their tribute lay;

We had waited for thy coming, in the darknes
waited long,

Ere the morning star proclaimed thy natal day.

hou hast come through tribulation, and thy robe

hou shalt smile away the shadow and the gloom.

in the wilderness a living, fountain spring,
for the blind shall see thy beauty, and the deaf
shall hear thy voice,
and the silent tongues their high hozannas sing.

There the rhododendron blushes on the burly

in the midland where the wild deer love to roam;
There the water-lily slumbers while the cypress
guards its rest,
O, thy sunny land of promise and thy home.

ay thy banner, Alma Mater, ever wave.

STUDENT GOVERNMENT DEPARTMENT

Student Government means all the Meredith girls, with a real Meredith sense of honor, working together to make Meredith the best college possible.

The spirit of the Student Association is the real college spirit, and a loyal student spirit means not only a co-operating student organization, but clean athletics, an enthusiastic Y. W. C. A., and a working literary society. The success of any organization in college depends on the attitude of the girls toward the Student Government Association. We must work together for the common good of all before we can work in groups in smaller organizations.

Every individual girl is responsible for the carrying out of the laws of the Student Government. These laws are made by the students themselves, and approved by the faculty. Disregard of these laws means that a girl is not a loyal member of the college community and is not worthy of the privileges of the same. The Student Government encourages loyalty to all organizations, promptness in all duties, and a spirit of love and friendship among the girls.

DON'T

Don't you come to Meredith,
With the blues all on your face,
But just you force a big, broad grin,
And then you'll like the place.

Don't forget you're Meredith,
And Meredith's judged by you,
So be careful at your windows,
And your critics will be few.

Don't forget to study,
And to work as hard as sin,
And when you leave old Meredith,
Folks'll know where you have been.

PUBLICITY DEPARTMENT

SARAH NOOE—*Chairman*

The work of the publicity Department is carried on through four committees, the Bulletin Board Committee, the Library and Publication Committee, the Poster committee and the Editorial committee.

The Bulletin Board Committee keeps the girls informed concerning college happenings, current events and Y. W. C. A. interests, by clippings and announcements placed on the Y. W. C. A. Bulletin Board.

The Poster committee, by means of attractive posters, announces the various Y. W. C. A. meetings.

The Library and publication committee has charge of our "Y" Library, which consists of a few magazines and good books. This committee also maintains the current event section of the Bulletin Board.

The Editor gives Y. W. C. A. items of special interest to the local newspapers and college publications.

In short, the publicity Department is the Information Bureau of the campus.

RELIGIOUS WORK DEPARTMENT

CLAUDILINE SYKES—*Chairman*

The work of the Religious Department is carried on through three committees. These are: Program committee, Music committee, and Bible Study committee.

It is the work of the Program committee to arrange programs for regular meetings on Sunday night. Speakers are selected from the student body, faculty, or from outside sources. These programs are not only interesting to everyone but they suggest the necessity of Christ in our lives today and how we may work with him in the upbuilding of humanity. A special Missionary program is given on the first Sunday night of each month.

The Music committee has charge of the

choir for each religious meeting. This committee arranges for soloists and for special programs.

The Bible Study committee arranges Bible classes for study during Fall semester, selecting leaders and books for each class.

B. Y. P. U.

The B. Y. P. U. of Meredith College was organized February the twenty-seventh, nineteen hundred and twenty-one with about one hundred and forty girls as charter members. The Union was divided into three sections, named for three former Meredith Students who are now on the foreign fields—in Japan, China and Africa, respectively. The names are—The Foy Willingham, the Celia Herring and The Rosa Hocutt B. Y. P. U's. The unions meet every Wednesday evening taking the place of the mid-week Vesper Service held prior to the organization of the B. Y. P. U. The three Unions will attain every Point on the Standard of Excellence before Commencement. The chief aim of the B. Y. P. U. of Meredith is to train our girls for active church work at home, to acquaint them with our own denominational work in a very specific manner and to discover hidden talents.

SOCIAL DEPARTMENT

LOUISE MAYS—*Chairman*

The work of this department is to arrange

for all the social functions of the Association, including the parties in our "Y" room for the new girls. Its work also includes the creating and developing of college standards of the very highest type.

The Blue Ridge Committee does great work in arranging good programs to interest the girls in the conference held at Blue Ridge, and also has charge of all the teas that are given for this cause.

COMMUNITY SERVICE DEPARTMENT

DORIS TILLERY—*Chairman*

The purpose of the Community Service Department is, as the name implies, service. In the college community the committee endeavors to unite the girls through a spirit of fellowship in Christian service, rendered both among themselves and to the community at large. It is also the duty of the committee to keep the student body as a whole in touch with all current social movements, in order that the work of the community may be in harmony with that of the world.

YOUNG WOMAN'S AUXILIARY

MARGARET DUNCAN—*President*

The Young Woman's Auxiliary, an organization within itself, assumes responsibility for the missionary training of the Young Woman's Christian Association.

Its meetings, on the first Sunday evening of each month, seek to give a vision of world needs and responsibility for meeting these needs.

The close affiliation with the State Y. W. A. organization gives a young woman ready knowledge of her denominational opportunities.

THE CABINET POLICY

Aim of the Association:

(a) To unite the women of the institution in loyalty to Jesus Christ.

(b) To lead them to accept Him as their personal Savior.

(c) To build them up in the knowledge of Christ, especially through Bible study and Christian service, that their character and conduct may be consonant with their belief. It shall thus associate them with the students of the world for the advancement of the Kingdom of God.

(d) To seek to enlist their devotion to the Christian Church and to the religious work of the institution.

Aim of the Cabinet:

To carry out the purpose of the Association by endeavoring:

1. To bring every girl into Association work.
2. To raise the standard of the social life of the school by frequent simple gatherings and by seeking to break down every barrier between

the girls—thus holding up the social teachings of Jesus Christ.

3. To spend part of each day in real prayer and faithful Bible study.

4. To bring each girl into a close fellowship with Jesus Christ by means of Bible classes.

5. To meet every Sunday afternoon for counsel and definite prayer and every Thursday night at 9:00 for prayer and discussion of work.

6. To deepen the spiritual life of each girl, individually, by prayerful, personal work, by daily morning prayer meetings, and by weekly devotional meetings on Sunday night in the chapel.

7. To arouse interest in missions by

(a) Giving systematically to missions;

(b) Mission-study classes;

(c) A strong missionary meeting the first Sunday night in each month.

8. To keep ourselves informed in regard to general Association work.

9. To give written monthly reports to the Secretary, and to keep careful records of all work for the help of the new cabinet.

10. To heartily co-operate individually and as a cabinet with the Student Council in securing and maintaining a high standard of young womanhood in our school.

11. To consider ourselves a personal workers band, endeavoring, with God's help, to bring to Christ every girl who has not already confessed Him, and to pray with this definite purpose.

WHY YOU SHOULD JOIN THE YOUNG WOMEN'S CHRISTIAN ASSOCIATION

To you who are entering college this fall for the first time, let us say a few words about why you should join the Y. W. C. A.

In the first place you should begin your college life by identifying yourself with the Christian work of the school, for in this way you are brought under the best influences of the college course.

A girl's character is formed before her college course is ended. In the molding of your character, do you wish to leave out Christ? Be sure, then, that you join the Y. W. C. A. at the beginning of your course, and thereby seize the opportunity for the development of your spiritual life.

You need spiritual inspiration as well as intellectual inspiration.

You are given a wonderful opportunity for serving Christ by winning for Him the lives of those who have never known Him.

In joining the Y. W. C. A. you are becoming a part of a world-wide student movement, which has for its members the strongest and most earnest students all over the world.

"HINTS TO THE WISE."

Come early and avoid the rush.

Look out for Meredith Y. W. C. A. badges at the station.

Listen for the call of the night watchman, if you come on a night train.

Register as soon as possible after you arrive.

After you register, go to the adjoining room, over the door of which *Information Bureau* will be printed in large letters, for any information.

Those wearing the Y. W. C. A. badges will gladly give you any assistance they can during the days of classification.

Writing materials and all such incidentals may be purchased at the "Y" store.

Ask the old girls anything, any time. They are always anxious to help you.

Bring pillowcases, sheets, blankets, dresser and table covers with you. Your material for curtains had best be bought here, so you will have no trouble in fitting your windows. But this is not all. Every college girl wants an attractive room. So bring your sofa cushions, pictures, mottoes, and all those little fixings which add so much to a room. Remember that you will be here for nine months, and you certainly will enjoy life more in a cheerful room.

Somebody is more homesick than you are. Try to forget that you are lonely and do something for that other girl.

The three bulletin boards—the official bulletin board, near the library door, the Student Government bulletin board, next to the mail boxes, and the Y. W. C. A. bulletin board, at the entrance to Faircloth Hall, are very important. Watch them.

Remember to patronize the firms that advertise in our publications. "Turn about is fair play."

The library is for quiet study. If you talk, it misses its purpose.

At twilight when you feel the "blues" coming on, make a rush for the Y. W. C. A. room—No. 2, first floor, East Building. The "blues" can't exist there at any time—day or night.

When you want to cook, sign up for the "Y" kitchenette.

CHURCHES

There are Baptist, Methodist, Presbyterian, Episcopal, Catholic, Christian, Lutheran Churches in Raleigh. Every student is allowed to attend the church for which she has a choice. The first two Sundays after school opens the students are allowed to visit different churches of their denomination. After that they must fully decide what Church they prefer to attend regularly.

THE STUDENT VOLUNTEER BAND

DELILA DEATON—*Leader*

The purpose of the Student Volunteers is to seek those students who are interested in foreign mission work and to bring them together into a forceful and co-operative band which meets twice a month for special study of foreign missions and the opportunities for service in foreign lands. It helps to bring the members of this band into closer relationship with Christ.

and quickens their spiritual lives towards higher and nobler ambitions. The morning watch services prove a great factor towards the spiritual development of all who attend.

FIELD DAY

This holiday, which comes the first week in May, is divided between the regular gymnastic exhibition, the parade and May pole drills. Girls! Every one is expected to take part and make the day our big Athletic Show. There are two honors awarded for each of the two features rendered by the different classes. The first honor, a blue ribbon, and the second honor, a red ribbon, bear the name of class and feature.

During the year 1921-22 we are hoping to arrange games between Societies and in basketball; a Varsity team will be selected which is capable of representing Meredith against other Colleges.

THE LITERARY SOCIETIES

Merediths two literary societies, the Philare-

tian and Astrotekton, work together in friendly rivalry throughout the year. Their purpose is to help students combine their academic training in a practical manner with their social life, and to promote a useful experience in outside cultural interests.

These societies have separate halls, in which they meet on every Saturday night to enjoy clever programs or more informal fun. In order to stimulate the spirit of loyalty and develop initiative among students both societies present plays every session. During the past year, a play, "The Littlest Rebel," was presented by the Philaretian Society and an operetta, "The American Girl" by the Astrotekton Society.

With their many good times, these societies constitute one of the most enjoyable features of college life at Meredith.

STUDENT PUBLICATIONS

THE TWIG is quite a new publication at Meredith. It is the weekly newspaper of the students, published by the Philaretian and Astrotekton Literary Societies. It embraces all phases of college life and activities from the inter-class basket ball and tennis games to account of the Student Government meetings.

In comparison with *The Acorn* it is just a baby. For several years we have felt the need of and wanted such a paper, but it was only in the spring of 1921, that it was founded through the joint efforts of the 1920-21 Editors-in-Chief of the *Acorn* and *Annual* Staff. A few copies were published during the closing weeks of the 1921 session. These samples delighted everybody, and made them eager for more. Next year we are going to strive with our utmost power to make *The Twig* the equal of any Southern College newspaper. But the editors cannot do this alone, strive as they might. *The Twig* and its future depends on you girls, old and new. You simply must back it up, and give it your heartiest and most loyal support and co-operation. When we call on you to help us, do not fail us. It is not primarily a literary publication as is *The Acorn*. We want to spice the serious with the comic. We want lots of real funny, original jokes, and we are depending on you to furnish them.

BUSINESS MANAGER.....*Beulah Rowland*
ASSISTANT BUSINESS MANAGER...*Daphne Owens*

The Oak Leaves is the college annual, published by the Philaretian and Astrotekton Literary Societies. Unlike the *Acorn*, it is not essentially of a literary nature, but its purpose is to represent every phase of college life, including all the classes, all college and student organizations and clubs, thus aiming to portray our college life as it really is. Although each of these phases has its places, the Senior Class is correctly accorded the foremost place. Of course every girl will want an annual and it will be received by every student who pays the sum designated for the annual in the yearly budget. Anyone else desiring one should make the proper arrangement with the Business Manager.

The following girls form the Annual Staff:

ALMA MATER

We salute thee, Alma Mater, we salute thee
with a song,
At thy feet our loyal hearts, their tribute lay;
We had waited for thy coming, in the darkness
waited long,
Ere the morning star proclaimed thy natal day.

Thou hast come through tribulation, and thy
robe is clean and white,
Thou art fairer than the summer in its bloom.
Thou art born unto a kingdom, and thy crown
is all of light;
Thou shalt smile away the shadow and the
gloom.

In thy paths the fields shall blossom and the
desert shall rejoice,
In the wilderness a living, fountain spring,
For the blind shall see thy beauty, and the
deaf shall hear thy voice,
And the silent tongues their high hozannas
sing.

Where the rhododendron blushes on the burly
mountain's breast,
In the midland where the wild deer love to
roam;
Where the water-lily slumbers while the cypress
guards its rest,
Lo, thy sunny land of promise and thy home.

Where the sons of Carolina taught a Nation to
be free,
And her daughters taught their brothers to be
brave;
O'er the land of peaceful plenty, from the high-
lands to the sea,
May thy banner, Alma Mater, ever wave.

R. T. VANN.

STUDENT GOVERNMENT DEPARTMENT

Student Government means all the Meredith girls, with a real Meredith sense of honor, working together to make Meredith the best college possible.

The spirit of the Student Association is the real college spirit, and a loyal student spirit means not only a co-operating student organization, but clean athletics, an enthusiastic Y. W. C. A., and a working literary society. The success of any organization in college depends on the attitude of the girls toward the Student Government Association. We must work together for the common good of all before we can work in groups in smaller organizations.

Every individual girl is responsible for the carrying out of the laws of the Student Government. These laws are made by the students themselves, and approved by the faculty. Disregard of these laws means that a girl is not a loyal member of the college community and is not worthy of the privileges of the same. The Student Government encourages loyalty to all organizations, promptness in all duties, and a spirit of love and friendship among the girls.

COLLEGE REGULATIONS

1. The rising bell will ring at 6:45 a. m.; the retiring bell at 10:30 p. m. At the ringing of the retiring bell all lights will be extinguished, students will retire and the house be quiet until the rising bell. No extra time will be allowed after 10:30.

2. The dining room doors shall be closed five minutes after the last bell rings.

3. Students may not be off the campus when due for any college duty: when visiting, however, students may leave the college Saturday when work is finished and must be at the college for work Monday morning.

4. Students will not leave the college grounds without registering except for walking or working at the State or Raney Library.

5. Students will register in the Student Advisor's office when exercising any special privilege off the campus, such as attending receptions, ball games, etc.

6. No visits out of the city will be made without a written permission from parent or guardian stating to whom the visit is to be made. This must be mailed directly to the President or the Dean; otherwise, it will not be considered.

7. Students may not be accompanied to or from the station or receptions by young men.

8. No one may visit in town over night during Fair holidays, except with members of the immediate family.

9. During the State Fair, Wednesday and Thursday are given as holidays. All students who attend the Fair, except Seniors and Juniors, are chaperoned either by some friend approved by the Dean, or by members of the faculty.

10. Students will not visit restaurants, hotels, railroad stations, or places of amusement without permission and a chaperon.

11. *No student will entertain guests in her room.* All visitors will be entertained in the parlors. No young lady will go to the parlors to meet friends without permission from the Student Advisor except during calling hours.

12. Because of the lack of guest chambers, students may not entertain their friends overnight at the college.

13. Students may not attend social affairs or those merely for entertainment on school days. Requests to attend those of educational value will be referred to the Student Advisor.

14. Students may not sit with young men in chapel at any function under the auspices of the college, but may do so when it is under the auspices of a student organization.

15. Students may not ride on street cars except when going to or from the station or church, and when calling with the permission of the Dean.

16. All students are required to attend Sunday school and church 85 per cent of the time on Sunday mornings. When taking cuts, they may attend church services elsewhere than at their own church, but must not answer to roll-call. When in the Infirmary students will be excused.

17. Students should be in their places in chapel when the three-minute bell stops ringing. Talking is forbidden after the organist begins playing. No books will be taken into chapel.

18. Each unexcused absence or tardiness from any college duty, such as registering for shopping or for any special privilege, answering Sunday School roll-call, etc., will count as one delinquent, except absence from chapel will count as two.

Any student receiving nine delinquencies during any quarter will be debarred from exercising the privileges of the Student Government Association for four weeks. Students receiving nine during the last quarter will lose their privileges for the two weeks before commencement.

19. Students will report, within three days, to the Student Advisor to be excused for any absence or tardiness; otherwise, these will go on the college record as unexcused delinquencies.

20. "Call downs" will be given for going over an official study sign. Three of these makes a

girl subject to a reprimand from the Student Committee.

21. Quiet will be preserved during the following hours:

(a) On Sunday during Silent Hour, that is from 2 p. m. to 4:30 p. m.

(b) On Monday from 10:00 a. m. to 1:00 p. m., and from 1:30 p. m. to 2:30 p. m., and from 7:45 p. m. to 10:00 p. m.; on Tuesday, Wednesday, Thursday and Friday from 8:35 a. m. to 1:00 p. m., and from 1:30 p. m. to 2:30 p. m., and from 7:45 p. m. to 10:00 p. m.; on Saturday from 8:35 a. m. to 1:00 p. m., and from 1:30 p. m. to 2:30 p. m.

22. Under no circumstances will visiting during the Sunday Silent Hour be allowed, unless permission has been obtained from the House President *before 2 o'clock*.

23. Permission to send telegrams or long-distance messages may be obtained from the Student Advisor during her office hours, or from the Secretary to the President. Such messages must be paid for in advance.

24. No student may send any matter to the local press for publication without the permission of the Student Advisor; and all posters, invitations, or other printed matter must be approved by her.

25. Chafing-dishes with alcohol burners may not be used in the college. A charge of five cents an hour will be made for the use of electric plates.

26. Dancing and card-playing will not be permitted. In regard to these, there is a difference of opinion, but all will agree that it is safe to replace them by other recreations.

27. *Sororities of whatever name or kind, whether regular or irregular, affiliating with similar organizations elsewhere or unaffiliating, are absolutely prohibited. The punishment for this offense will be expulsion, demerits, or suspension, or a combination of any of these at the discretion of the Academic Council and Student Executive Committee.*

28. Students will not carry on a conversation with young men on the campus, at the libraries, at the drug stores, or on the street.

29. Any student found communicating by word or sign, beyond simple recognition, from any part of the building or grounds, or elsewhere, or making clandestine engagements with any man, will be reprimanded, demerited, suspended, or expelled, at the discretion of the Student Executive Committee and the Faculty.

30. Hazing is absolutely forbidden. Any interference by one class with another class, or by the members of one class with the members of another, is included in the term "hazing."

31. The punishment for cheating on examination, or elsewhere, will be expulsion, withdrawal of credits, or demerits, or a combination of the last two, at the discretion of the Academic Council and Student Executive Committee.

PRIVILEGES

[In order to exercise the privileges of the Student Government Association each student's parent or guardian must have notified the Dean of his permission for his daughter to exercise these privileges. This permission must be mailed *directly* to the President or Dean of the College.]

Those having the necessary permissions may exercise the following privileges:

1. May shop in groups of two on Monday afternoon.

2. May receive visits from friends on Monday afternoons from 3:30 to 5:30 or on Saturday evenings after Society, provided they go to Society.

3. May dine with friends in town any two Saturday evenings during a semester; may dine down town with young men with a chaperon approved by the Dean one evening during a semester.

4. May make calls in town any one afternoon in week, provided the Dean is notified before such calls are made.

5. May make week-end visits in the homes of friends four times a year and in the homes of near relatives once a month. ("Near relatives" will be interpreted to mean grandparents, brothers, or sisters.)

6. When visiting in the city, students may appear on the streets or in public gatherings

with young men if chaperons have been approved by the Student Advisor. The hostess is considered an approved chaperon.

7. May take part in studio parties twice a semester.

8. During the first six weeks in the fall Freshmen must be accompanied by old girls when walking off the campus or shopping.

9. With the permission of the House President, girls may spend the night with friends in the same or other buildings. Saturday and Sunday nights permission is unnecessary.

10. With the permission of the Student Advisor students may go driving on Monday and Saturday afternoons with young men, provided a chaperon approved by the Dean has been secured.

11. Students may walk from 4:30 to 5:30 Sunday afternoon in the northern and eastern part of town.

12. Students may attend moving picture shows one Monday a month with faculty or approved student chaperon. No chaperon should have more than six girls in her party.

13. Students may spend Sundays in town and let them count as week-ends.

SOPHOMORE PRIVILEGES

Besides the above privileges the Sophomores have the following:

1. The class may have one evening off during

the session, provided no member of the class is guilty of hazing in any manner whatever.

2. Members of class may go to church with a chaperon three Sunday nights during a semester.

JUNIOR PRIVILEGES

In addition the Juniors have the following special privileges:

1. Approved Juniors may chaperon wherever student chaperonage is permissible.

2. Members of the class may go to dentist and oculist in groups of two.

3. May attend church Sunday night in groups of three without a chaperon.

4. May receive callers any one afternoon or any one evening except Sunday.

5. May shop any two afternoons after school.

SENIOR PRIVILEGES

7. May go to church Sunday evenings in groups of three unchaperoned.

THINGS YOU OUGHT TO KNOW

1. Students are under the college regulations from the time they reach the college until they take the train to leave Raleigh, or until they have received permission from the Dean to visit in the city at Christmas vacation or at the close of the session.

2. Students may not walk in the business sections of the city, on Fayetteville and Hillsboro streets, *in the Capitol Square*, in or near the vicinity of the railroad shops, or station unless they have registered to go shopping.

3. No medicines are to be administered except by the advice and prescription of the physician, as much harm results from the promiscuous taking of medicine without competent advice.

4. Students will be held responsible and will pay for loss, breakage, and damage in which they are instrumental. All such injuries should be promptly reported to the Housekeeper. No furniture may be moved from any place without her permission.

5. Sunday School roll will not be taken on Easter Sunday.

6. Pianos may not be used on Sunday mornings.

7. No student may, without permission from the Housekeeper, have colored women come to her room or to the dormitory corridors, as there is danger of loss of money or clothes.

8. White middy blouses and dark skirts, or any kind of washable middy suits may not be worn to Sunday dinner, on the streets at any time, or elsewhere after 4:30 p. m., except in the dormitory halls. Regulation serge middy suits may be worn except on Fayetteville Street, in the parlors, and on Sunday after 1:00 p. m., or on occasions when they would be inappropriate.

9. Order of classification. First, go to the President's office and register. After doing this, go across the hall to the Bursar's office and pay your matriculation fee of ten dollars. It is very necessary that you bring your matriculation fee with you, because until you have paid it you cannot be classified in the Dean's office. In return for this the Bursar will give you a receipt, which you must carry with you to the Dean's office, where you will be classified.

5. DON'T give outsiders a bad impression of Meredith by sitting in the windows.

SUPPLEMENT

TO THE

HAND-BOOK

ACADEMIC REGULATIONS NOT PRINTED IN THE CATALOGUE

1. Students may be excused for absence from class for illness in the infirmary or on a doctor's written statement. They may also be excused by the Dean for reasons deemed by her sufficient. In addition, students may be absent without excuse for not more than one day a semester. However, they may not be away from the college without excuse and so miss classes except for visits home.

2. Unexcused absence will entail lowering of grade. The semester grade will be lowered in the Dean's office for each unexcused absence in a one-hour subject five points; in a two-hour subject three points; in a three-hour subject two and a half points; in a four-hour subject two points.

Students will arrange with their instructors about making up work missed.

4. Students will receive zeros for cutting the last recitation in subjects before a holiday, and the first after a holiday.

5. Students may not miss class work or private lessons, or change them from one day to

another, to make visits. See privilege 5 of the Hand-Book.

6. A student may not drop a subject or change her course without permission from the Dean.

7. Students are required to take examinations in all subjects pursued during a semester.

8. No one will be excused from any college duty on account of illness unless she is the patient of the physician or nurse.

9. Students may not take part in plays or other entertainments without the permission of the Dean. Ordinarily, permission will not be given to those who are not making grade or who have more than sixteen hours of work per week.

REGULATIONS FOR TUTORING

1. Students may tutor only with tutors who have been approved by the Dean and the head of the department.

2. The number of hours which a tutor may have will be determined by the Dean. (Ordinarily, three hours of tutoring will count as one academic hour.)

3. Absences from tutoring lessons and unprepared will be reported and counted as if from regular class.

4. The price for tutoring lessons will be, under ordinary circumstances, twenty-five cents an hour for individual work. If there are

more than one in a course, the Dean and the tutor will determine the price.

MUSIC PRACTICE

1. Under all circumstances proctors will mark a student absent if she does not practice during the time assigned her.

2. Under no circumstances do proctors excuse students; therefore, do not make such requests of them. Make these requests of the Head Proctor.

3. Under all ordinary conditions students will practice at their regular time. If any one wishes to substitute some other hour, the permission of the Head Proctor must be obtained before the change is made; *otherwise, the absence will not be excused.*

4. When students are given the privilege of making up practice, it must be made up and so reported within three days from the time it was missed. Otherwise, it will go on the college record as unexcused.

5. All students taking as much as two hours of practice are required to attend the student recitals on Thursday afternoons; any other music student not having the equivalent of fifteen hours of work a week will be required to attend. An unexcused absence from recital will count as an absence from regular practice.

6. Every absence or tardiness should be reported to the Head Proctor at once. Unless so reported, after three days such delinquency will go on the college record as unexcused.

7. Three unexcused absences from practice during any quarter causes loss of privileges for a month for those practicing from one to two hours a day.

Four unexcused absences from practice during any quarter causes loss of privileges for a month for those practicing three or more hours a day.

In all cases two tardies count as one absence; leaving practice rooms without permission for visiting or other purposes will count as a tardy.

The Publicity Department is the Information Bureau of the campus. Its duty is to keep the girls informed concerning all the vital problems of the day, and to keep them in close touch with all the Y. W. C. A. work of our Association and others. The poster committee, by the several new, attractive posters conspicuously placed each week, helps greatly to interest the girls.

Quite a few new magazines and good books have been added to our "Y" library this year, and there a girl may pass a pleasant hour in light reading or study.

Our Association is linked up with others by the contribution of unique plans to the *Association Monthly* and to the *Acorn* by our Editor.

Thus the Publicity Department is the channel through which the literature and posters containing the news of all lands are brought to our students.

RELIGIOUS WORK DEPARTMENT

ANN ELIZA BREWER—*Chairman*

The work of the Religious Department is carried on through four committees. These are the program committee, the music committee, the Bible Study committee and the morning watch committee.

It is the work of the Program Committee to arrange the programs for the regular meetings on Sunday night. Speakers are chosen from the student body, faculty, or from outside sources. These programs are very interesting and helpful. A special missionary program is given on the first Sunday night of each month.

The Music Committee has charge of the choir for each religious meeting. This committee arranges for soloists and for special programs.

The Bible Study Committee arranges for the Bible classes during the fall semester. This committee selects leaders and books for each class.

The Morning Watch Committee appoints a leader for the weekly services. The leaders are usually chosen from the student body.

SOCIAL DEPARTMENT

WILMA DURHAM—*Chairman*

The Social Department arranges for all social functions of the Association, including the parties for the new girls in the fall in our "Y" room. Its work also includes the creating and developing of college standards of the highest type.

The purpose of the Blue Ridge Committee is to interest the girls in the conference held at Blue Ridge, which it does by means of programs and posters.

COMMUNITY SERVICE DEPARTMENT

EDNA EARLE HINTON—*Chairman*

The Community Service Department gives the student an opportunity for some definite service for the Master, and strives to incarnate the "Y. W." ideals of social fellowship on and off the campus. This committee also aims to work with the girls so as to promote community intelligence concerning the needs of the world at large. In order to do our greatest work we must have the co-operation of every girl in college.

YOUNG WOMAN'S AUXILIARY

MARY LEE CALDWELL—*President*

It is the aim of the Young Woman's Auxiliary to bring the girls into a very sympathetic, intellectual relationship with missions. On the first Sunday night in each month it gives a missionary program. In connection with this work, it helps with the mission study classes that are conducted by either faculty members or some student.

THE CABINET POLICY

Aim of the Association:

(a) To unite the women of the institution in loyalty to Jesus Christ.

(b) To lead them to accept Him as their personal Savior.

(c) To build them up in the knowledge of Christ, especially through Bible study and Christian service, that their character and conduct may be consonant with their belief. It shall thus associate them with the students of the world for the advancement of the Kingdom of God.

(d) To seek to enlist their devotion to the Christian Church and to the religious work of the institution.

Aim of the Cabinet:

To carry out the purpose of the Association by endeavoring:

1. To bring every girl into Association work.
2. To raise the standard of the social life of the school by frequent simple gatherings and by seeking to break down every barrier between the girls—thus holding up the social teachings of Jesus Christ.
3. To spend part of each day in real prayer and faithful Bible study.
4. To bring each girl into a close fellowship with Jesus Christ by means of Bible classes.
5. To meet every Sunday afternoon for counsel and definite prayer and every Thursday night at 9:00 for prayer and discussion of work.
6. To deepen the spiritual life of each girl, individually, by prayerful, personal work, by daily morning prayer meetings, and by weekly devotional meetings on Sunday night in the chapel.

7. To arouse interest in missions by
 - (a) Giving systematically to missions;
 - (b) Mission-study classes;
 - (c) A strong missionary meeting the first Sunday night in each month.
8. To keep ourselves informed in regard to general Association work.
9. To give written monthly reports to the Secretary, and to keep careful records of all work for the help of the new cabinet.
10. To heartily co-operate individually and as a cabinet with the Student Council in securing and maintaining a high standard of young womanhood in our school.
11. To consider ourselves a personal workers' band, endeavoring, with God's help, to bring to Christ every girl who has not already confessed Him, and to pray with this definite purpose.

WHY YOU SHOULD JOIN THE YOUNG WOMEN'S CHRISTIAN ASSOCIATION

To you who are entering college this fall for the first time, let us say a few words about why you should join the Y. W. C. A.

In the first place you should begin your college life by identifying yourself with the Christian work of the school, for in this way you are brought under the best influences of the college course.

A girl's character is formed before her college course is ended. In the molding of your character, do you wish to leave out Christ? Be sure, then, that you join the Y. W. C. A. at the beginning of your course, and thereby seize the opportunity for the development of your spiritual life.

You need spiritual inspiration as well as intellectual inspiration.

You are given a wonderful opportunity for serving Christ by winning for Him the lives of those who have never known Him.

In joining the Y. W. C. A. you are becoming a part of a world-wide student movement, which has for its members the strongest and most earnest students all over the world.

"HINTS TO THE WISE"

Come early and avoid the rush.

Look out for Meredith Y. W. C. A. badges at the station.

Listen for the call of the night watchman, if you come on a night train.

Register as soon as possible after you arrive.

After you register, go to the adjoining room, over the door of which *Information Bureau* will be printed in large letters, for any information.

Those wearing the Y. W. C. A. badges will gladly give you any assistance they can during the days of classification.

Writing materials may be purchased at the Y. W. C. A. stores on the second floor of Fair-

cloth Hall and on the third floor of Main Building.

Ask the old girls anything, any time. They are always anxious to help you.

Bring pillowcases, sheets, blankets, dresser and table covers with you. Your material for curtains had best be bought here, so you will have no trouble in fitting your windows. But this is not all. Every college girl wants an attractive room. So bring your sofa cushions, pictures, mottoes, and all those little fixings which add so much to a room. Remember that you will be here for nine months, and you certainly will enjoy life more in a cheerful room.

Somebody is more homesick than you are. Try to forget that you are lonely and do something for that other girl.

The three bulletin boards—the official bulletin board, near the library door, the Student Government bulletin board, next to the mail boxes, and the Y. W. C. A. bulletin board, at the entrance to Faircloth Hall, are very important. Watch them.

Remember to patronize the firms that advertise in our publications. "Turn about is fair play."

The library is for quiet study. If you talk, it misses its purpose.

At twilight when you feel the "blues" coming on, make a rush for the Y. W. C. A. room—No. 2, first floor, East Building. The "blues" can't exist there at any time—day or night.

CHURCHES

There are Baptist, Methodist, Presbyterian, Episcopal, Catholic, Christian, Lutheran Churches in Raleigh. Every student is allowed to attend the church for which she has a choice. The first two Sundays after school opens the students are allowed to visit different churches of their denomination. After that they must fully decide what Church they prefer to attend regularly.

ATHLETIC ASSOCIATION

OFFICERS FOR 1920-1921

LILLIAN FRANKLIN.....	<i>President</i>
MARY LYNN JUDD.....	<i>Vice-President</i>
EDNA EARLE HINTON.....	<i>Secretary</i>
SYBIL SMITH.....	<i>Treasurer</i>

To the new girls we would say, start right by going in for athletics, good and strong, the day you enter. Adjust your academic program to your athletic program, instead of vice versa! There's nothing like "pep"—whether for your class or for your Alma Mater—and nothing develops it like contests in basketball, relay races, tennis, tournaments, track meets, etc.

From the middle of October until Field Day in May, regular gymnasium exercises are required of all students, except Seniors, for two days each week.

BASKET-BALL

Each class has a team and inter-class games are played for the championship. A loving cup is awarded the winning team.

Schedule

Final—SENIORS VS. SOPHOMORES.....	Nov. 16
Final—JUNIORS VS. FRESHMEN.....	Nov. 19
Championship Game.....	Nov. 29

The five best players in the college receive monograms, and compose the 'varsity team.

TENNIS

In the tennis tournaments the teams of each class compete for the championship. The winning team receives monograms presented by the Association.

Schedule

Final—SENIORS VS. SOPHOMORES.....	April 12
Final—JUNIORS VS. FRESHMEN.....	April 15
Championship Game.....	April 23

FIELD DAY

This is our big holiday. Every student who has taken gymnasium may compete in the exercises. There are two honors awarded for each of the two features rendered by the different classes. These are called first and second honors, which are blue and red ribbons bearing the name of class and feature. Other parts of the Field Day program are the May Pole Drill, races, and games.

In the coming year, 1920-21, we are hoping that all the girls will go in for athletics harder than ever, especially because in the near future we are expecting to take up Intercollegiate Athletics, and there's where our Alma Mater must shine! So come determined to make your class team, and then the 'varsity team.

THE LITERARY SOCIETIES

Meredith's two literary societies, the Astro-tekton and the Philaretian, work together in friendly rivalry throughout the year. Their purpose is to help the students to combine their academic training in a practical manner with their social life, and to promote a useful experience in outside cultural interests.

These societies have separate halls, in which they meet for an hour on every Saturday night to enjoy clever programs or more informal fun. Inter-society debates on current questions have been planned for the coming year. In order to stimulate the spirit of loyalty and develop initiative among the students, both societies usually present plays every session. During this past year, however, the two societies united in producing the operetta, *Little Almond Eyes*. With their many good times, these societies constitute one of the most enjoyable features of college life at Meredith.

STUDENT PUBLICATIONS

The Acorn is the monthly magazine of the students, published by the Philaretian and Astrotekton Literary Societies. The object of the magazine is to encourage literary composition among the students and give expression to it. It is a source of encouragement to students who are making their best efforts in the English Department, and a challenge to those who are not. In addition to the purely literary contributions, the social, religious, and athletic phases of our college life will also be represented. *The Acorn* is associated with similar magazines by means of exchange. Every member of the Societies receives the magazine on the payment of the membership fee. It will also be mailed to any address, the proper arrangements having been made with the business manager.

The following girls form *The Acorn* staff:

EVELYN BRIDGER.....	Editor-in-Chief
BEATRICE NYE.....	Associate Editor
BERTHA MOORE.....	} Junior Editors
CATHERINE BROWN.....	
RUTH FREEMAN.....	} Sophomore Editors
FANNIE PAUL.....	
MARY LYNNE JUDD.....	Business Manager
TO BE ELECTED....	Assistant Business Manager

The *Oak Leaves*, also published by the literary societies, is the college annual. It repre-

nts every phase of college life, not being, *the The Acorn*, primarily of a literary nature. While each organization of the students has its place in the annual, the Senior Class justly occupies the foremost place.

The following girls form the *Annual* staff:

EDIE PENTON.....	<i>Editor-in-Chief</i>
ANNIE UZZLE.....	<i>Associate Editor</i>
ANNIE HALL BAITY.....	<i>Business Manager</i>
EDITH JENKINS....	<i>Assistant Business Manager</i>
LETHEA FELTON.....	} <i>Junior Editors</i>
UTH COUCH.....	
MARRE PRITCHETT.....	} <i>Sophomore Editors</i>
HYLLIS MAYS.....	
WILLIAN FRANKLIN.....	<i>Art Editor</i>

It is the hope of the student body to be able to publish a weekly or a semi-monthly college paper this year. We need and want a paper that embraces all phases of college life and activities and that will keep all the students informed on matters of current interest. We invite the co-operation of the new girls in helping us to realize our hope, which will mean so much to the students and to the college as a whole.

BUDGET

The second Monday in October will be pay-day. All dues for all organizations must be paid that day. They are as follows:

Student Government	\$ 1.00
Y. W. C. A.....	1.00
Society	3.00
Annual	5.00
Athletic Association.....	.50

*Society initiation fee for new girls \$1.00.

INTERNATIONAL RELATIONS CLUB

The purpose of the International Relations Club, which was recently organized under the International Relations Committee by Dr. J. L. de R. Hamilton, of the University of North Carolina, is the study of the problems of modern international relations. Although it is particularly helpful to the students majoring in History, and has as its advisor the History Professor, this club is not confined to the students in this department, but all who are actively interested in world problems of today, and who meet the academic requirements are eligible for membership. The club elected as its temporary officers the following:

LOUISE FLEMING.....*President*
 INEZ BOYD.....*Secretary*

The permanent officers are to be elected soon after the opening of the fall term.

GLEE CLUB

OFFICERS FOR 1919-1920

ANNABEL BRIDGER.....	<i>President</i>
GRACE MOONEY.....	<i>Vice-President</i>
MARY IDA BUTLER.....	<i>Secretary</i>
MARGARET POPE.....	<i>Treasurer</i>
EUGENIA THOMAS.....	<i>Business Manager</i>

The Glee Club is composed of the best voices in the college, under the direction of Dr. Dingley Brown, Director of Music. Students from all classes are eligible to membership, but there are certain academic requirements that each girl must meet before she may become a member.

Although the Glee Club is an innovation, having been organized in the fall of 1919, the tremendous success it has met with this year assures its future. Only one trip was made this year, but arrangements are now being made for an extensive tour during the coming year.

DRAMATIC CLUB

OFFICERS FOR 1920-1921

RUTH GOLDSMITH.....	<i>President</i>
MARY LEE CALDWELL.....	<i>Vice-President</i>
ELOISE TURLEY.....	<i>Secretary</i>
ANN ELIZA BREWER.....	<i>Treasurer</i>

The Dramatic Club is composed of girls selected from the student body because of their special talent for this training. No girl is

eligible for membership until her sophomore year, and certain academic requirements are necessary for entrance.

This branch of college activity was discontinued several years ago, but, feeling the need of an organization of this character, it has been renewed under the experienced direction of Miss Laura Eiberg.
